---

Your application for accreditation of the MASC Forensic Investigations Academy's Diploma in Forensic Auditing & Investigations.

The MASC Forensic Investigations Academy's Diploma in Forensic Auditing & Investigations was compared with the National Diploma in Forensic Accounting which the Ministry of Higher and Tertiary Education, Innovation, Science and Technology Development offers through the Higher Education Examinations Council (HEXCO).

The Ministry of Higher and Tertiary Education, Innovation, Science and Technology Development observed that the course content, duration and key competencies for the MASC Forensic Investigations Academy's Diploma in Forensic Auditing & Investigations meet the minimum requirements for the award of a National Diploma.

In relation to the above, the Ministry of Higher and Tertiary Education, Innovation, Science and Technology Development placed MASC Forensic Investigations Academy's Diploma in Forensic Auditing & Investigations at National Diploma level.
